

Wentworth Hotel Wine List

We have extended our wine list slightly to offer more choice and more variation on our list.

There is also a great selection of wines by the glass. As we enter the warmer months the whites and the rosés will be tasted more. The Pinot Grigio blush is refreshing and our whites include a great Gavi (the Chablis of Italy!). Reds can still be enjoyed and good choices include an Argentinean Cabernet Sauvignon and a great new red from Lebanon. . There are also a number of half bottles on offer allowing you to enjoy a wine that would not usually be readily available if you didn't fancy a full bottle.

The list contains wines from across the world and hopefully caters for most tastes. We are happy to receive suggestions for the list as tastes and trends continue to evolve.
